European Documentary Network (EDN)

European Documentary Network, EDN, is a member-based organisation for professionals working with documentary film and television. EDN supports, stimulates and creates networks within the documentary sector in Europe.

EDN provides documentary consulting and informs about possibilities for funding, financing, development, co-production, distribution and collaboration across borders. This is done via individual consultancy to members on documentary projects, activities like workshops, seminars and conferences as well as through the two indispensable publications DOX magazine and The EDN TV-Guide.
