POSTED ON 28 JUN 2011

FARM is a cross disciplinary design practice, an architecture atelier, a curatorial team and a community-centred arts organisation.

Underpinning all they do is a belief that joyful creativity is essential in all lives. Since 2005, FARM has worked on community projects which promote the arts. they organise national public art **competitions and**

events. They arrange free quarterly **talks** by designers and artists. In 2007, FARM established its cross disciplinary design arm. In collaboration with artists and designers, they work on a diverse range of **projects**. These include architecture and interior design, product design and merchandising, graphic design and branding, art installation and sculpture, exhibition design and curatorial work.
