The Film Academy of Miroslav Ondricek is an independent film school offering, between others, an international three- year Bachelor/ two-year Master of Arts Degree in Film and Television. The Bachelor/Master Degree is accredited by the Czech Republic´s Ministry of Education and therefore recognised throughout Europe and the European Union

The Film Academy educates and trains students to a professional level with specialisations in Screenwriting and Directing; Cinematography; Sound or Editing. The program aims to equip graduates with a high level of technical competence and craft skills as well as to develop their creative skills to the highest artistic level possible. The Film Academy aims to provide an environment where students can gain an understanding of underlying aesthetic principles of filmmaking and teaches to apply, to explore, to experiment and even to challenge those principles in the real world.

Hands-on experience and team-work are both given a strong emphasis throughout the programme of study. Therefore, the course includes ongoing practical exercises which focus on specific skills such as studio lighting, camera work or editing techniques.
