KUNSTENPUNT

FLANDERS ARTS INSTITUTE

Kunstenpunt is the support center for the professional arts in three disciplines: **visual arts, performing arts and classical music**. For all those who work in the arts, Kunstenpunt wants to be an inspiration, an accessible and reliable source of knowledge, a data supplier and fact-checker, a pillar of support, a connector and an innovator.

Kunstenpunt is for everyone who is professionally active in or around the visual arts, the performing arts and classical music, broadly considered. They work for:

- artists and other artists, in profit and non-profit
 - policy and government professionals active in arts and culture, or in adjacent social domains such as economics, tourism and foreign affairs
 - players from education, academia, press and public opinion
 - international artists with an interest in Flanders and Brussels
