## Global study of private contemporary art museums

museum-cover

The first global study on the setting of privately founded contemporary art museums is published by Larry's List. The study was conducted with the participation of over 160 museums world-wide. South Korea and Germany are in the top 3 countries by number of private art museums.

The report features interviews with various museum founders, including Wang Wei (Shanghai), Walter Vanhaerents (Brussels), and Patrizia Sandretto Re Rebaudengo (Turin).
