Goethe-Institut Hanoi

The Goethe-Institut Hanoi was founded in 1997 and is together with Shanghai the youngest institut in Asia. Its main intention is **to foster the cultural exchange between Vietnam, Germany and Europe**. In this perspective, they organise a broad range of cultural **activities**, presenting

German culture in Asia and intensifying the cultural dialogue between the countries.

Throughout the year, they offer courses of German as a Foreign Language for adults. In addition to this they organise **workshops and methodological seminars** for German Language teachers. Their small **media centre** offers all kind of information about the cultural, social and political life in today's Germany. This stock of books, magazines, newspapers, videos, CDs and DVDs in the centre serves all those who are interested in Germany and who want to learn or teach German.
