## HANGARTFEST

Hangartfest is a non profit organization recognized and sustained by the Municipality of Pesaro and the Regione Marche (Italy). Since 2004, it has organised an annual festival that takes place in September in Pesaro and presents independent contemporary choreographers and performers from all over Europe through an international **call** published at the beginning of the year on its website [www.hangartfest.it](http://www.hangartfest.it) The festival is held either in conventional theatres or unconventional spaces such as urban sites, streets, monumental sites, parks, etc.

The festival offers **artistic residencies** to choreographers through the Call **Essere Creativo** that it shares with AMAT, Proartis and Atelier Danza Hangart.

Most of the efforts are addressed to the audience development, through programs of dynamic approach to the performing arts.
