Hellenic Ministry of Culture and Tourism

The Hellenic Ministry of Culture and Tourism is in charge with many important projects and programmes of national importance, within its more general attribution of formulation and implementation of cultural policy in the field of culture and tourism:

Heritage:

Unification of the Archaeological Sites of Athens: represents a serious and basic change in modern Athens. It is cultural, environmental and developmental in purpose and it will contribute greatly to improving the quality of life in Athens.

Activities: excavations, reconstructions, conservations, infrastructure projects, educational programmes, publications, exhibitions

Awarding of prizes

Modern culture: literature, theatre, music, dance, visual arts, architecture, cultural management.
