Home for Cooperation

The Home for Cooperation is a unique community centre located in the heart of Nicosia. It is the embodiment of intercommunal cooperation, contributing to the collective efforts of civil society in their engagement with peacebuilding and intercultural dialogue. Using its resources it encourages people to cooperate with each other beyond constraints and dividing lines.

The Home for Cooperation essentially aims to act as a bridge-builder between separated communities, memories and visions. It provides working spaces and opportunities for Non-Governmental Organisations and individuals to design and implement innovative projects.

Today the Home has become a landmark building within the Ledra Palace crossing, UN buffer zone. It facilitates situations for people to get together and to get to know each other. The Home hosts an extensive variety of cultural, artistic and educational programmes with the aim to foster creativity and intercultural trust in Cyprus and internationally.
