創作 · 享受 · 體驗  
*Create · Enjoy · Experience*

In the years since it was established in 1983, the Fringe Club has become a vibrant contemporary arts space where artists create and show their work, and those who enjoy the arts come to meet and see shows. Facilities for exhibitions and performances are offered rent-free to both emerging and professional artist in Hong Kong and from overseas.

Over the years, by pursuing this policy of open access, the Fringe Club has come to be **identified with freedom of expression**. This freedom is invariably associated with the pleasure of creating, showing and enjoying the arts. The Fringe Club has presented 28 **festivals** and produced 24 original **theatre, dance and site specific pieces**. It has also arranged 68 **tours** in 15 cities, hosted over 100 **residencies**, and held over 1,600 **exhibitions**, 3,300 **community outreach events**, over 3,000 live-music shows, 9,000 stage performances and numerous **overseas presentations**.
