JSLN Dance Company was founded in Berlin in 2012, before emptying to Singapore in 2013. The performance venues were as versatile as the style of dance; classical ballet, neo-classical and contemporary ballet, contemporary and modern dance in art galleries, hospitals, theatres, senior citizen homes and dance studios. Artistic Director Soren Niewelt puts emphasis on the educational and social outreach, as he believes dance is for everyone and even those unable to come to a theatre deserve to enjoy a performance.
