Established in 2015, Kala Kendra is a non-profit artist-run space for visual arts. The space is considered as an Art Hub for the young and emerging artists to have informal discussions, presentations, exchange ideas as well as a meeting point for artists, curators, art collectors and cultural activists. Kala Kendra has a small gallery space that is used to curate exhibitions to promote young talents. Kala Kendra also hosts a print studio, known as 'Kibria Printmaking Studio' which can be used by graphic artists in exchange of a token amount.
