## untuk seni dan budaya

As a national non-profit organisation established in 1999 to enhance and promote the vitality of Indonesian arts, Kelola Foundation (Yayasan Kelola) works directly with Indonesian arts practitioners, across nationwide communities, in response to the needs by providing access to

learning opportunities, funding, and information. Kelola also promotes cultural exchange by facilitating artists and art practitioners to engage in dialogue, gain and share skills and knowledge, as well as to build networks within Indonesia and with the international cultural communities.
