The Korea Media Rating Board (KMRB) is a public organisation with professionals from all corners of the society including visual, youth, law, culture, education and media. KMRB **classifies films, videos, and other motion picture into age-based ratings and recommends domestic performances of foreign artists.** Through these rating systems, KMRB

works so that the domestic viewers are provided with accurate information for their viewing and it serves as a compass in protecting children from harmful and unsuitable materials.
