## La Neomudéjar

**La Neomudejar** is the Avant-Garde Arts Centre and Residence & Artist Residency in Madrid. We are an independent project.

We cover all artistic disciplines but we are more focused on video art, performance and street art.

The Artists residency consists of 8 workshops between 40 and 80 m2.

It is an **industrial building** from the late nineteenth century belonging to the old railway station of Atocha. The building was abandoned for 40 years and now reconverted in the Art Center but we maintain the appearance of the industrial decline and the effects of the abandoned of the building.

We are located in the center of Madrid near the so-called Prado-Recoletos area which includes the main cultural attractions of the city covering the Prado Museum, National Museum Reina Sofía, Museo Thyssen-Bornemisza, Madrid Caixa-Forum and La Casa Encendida.
