The M1 Singapore Fringe Festival

**SINGAPORE
FRINGE
FESTIVAL**

The M1 Singapore Fringe Festival is an annual festival of live performances by Singaporean and international artists. The Fringe aims to bring the best of contemporary, cutting-edge and socially engaged works to the Singapore audience.

In this increasingly connected, complex and often conflicted world, the Fringe seeks to present meaningful, socially engaged and provocative art to encourage civil and open dialogue and collaboration. Through the programming, the festival hopes to collectively dream and create a more inclusive and compassionate future. The Festival is open to **theatre, dance, music, visual arts and mixed media** with a different theme each year.
