# Macao International Music Festival

A festival of Western classical music organised by the Cultural Affairs Bureau of the Macao S.A.R. Government. In the past years, the Macao International Music Festival (MIMF) invited internationally renowned artists.

Each year MIMF brings internationally renowned artists from all over the world to Macau. Over the course of its decades-long history, it has gradually evolved into the major musical event in the territory. The MIMF seeks to promote a balanced range of performances in order to reflect the diversity and uniqueness of Macau. It also strives to enrich the cultural life of the region while meeting the expectations and aspirations of the community. The programmes include **opera, symphonic, choral and chamber music, as well as contemporary, folk, pop, fusion and jazz music.** Also offered is yet another dynamic encounter between East and West.
