MAD ARTS – the media and digital arts school of Jaspal Bhatti is situated at Industrial Area, Mohali. Away from the din and squalor of the cities, at a picturesque place where there is peace and the mind is ready to learn.

Joke Factory has just the right amount of solitude you need for your education and the right amount of proximity to exciting new corporate worlds like Quark City, SCL other top corporate offices and new buzzing malls.

Joke Factory will not only be home to MAD ARTS, but already boasts of a working studio, where innumerable serials, films and video shoots have taken place. It is also home to most of the recent shoots of Jaspal Bhatti Productions.
