Makhampom Theatre Group

Makhampom is a Thai theatre group working to build theatre as people's media. Founded in 1980, the group has grown into a large collective of volunteers. They have a team in Bangkok at the Makhampom Art Space and another team in Chiang Dao at the Makhampom Living Theatre.

Makhampom wears many hats, that include: developing Thailand's **youth** theatre movment; building a pool of professional theatre **activists**; creating new **contemporary Thai theatre** forms; transforming Thai society around issues of conflict, discrimination, freedom, and people's justice; having a long-term **impact** in communities in Chiang Dao; transferring knowledge and resources through **international exchange**, hosting, and collaborations; and running a **social enterprise programme** to survive into the future and support young artists.
