# MANDARIN

Mandarin Film, founded in 2006, is a production company that makes film, documentary, television or online content happen in China, offering both production services and co-production opportunities.

Clients include the BBC, National Geographic and Al Hayat Channel, major corporations like Microsoft, Audi, Cisco and Hewlett Packard along with several Hollywood studios. With over ten years experience and more than 400 projects, they estimate that Mandarin Film-produced content has been seen by over 500 million viewers across the world.
