The Midnight Sun Film Centre coordinates and stimulates audiovisual production in Finnish Lapland. The Film Centre co-operates with national and international film productions, television programs and commercial films shoots in the area.

The centre provides assistance in the following areas:

- locations scouting
- sourcing for film professionals, trainees, extras in the region
- equipments, services and contacts in the region
- travel, transportation, accommodation and catering requirements
- act as an intermediary between local authorities and production companies to obtain permissions etc.
- offer consultation for finding financing opportunities
