MiklagårdArts

MiklagårdArts is a change-maker platform, enabler, and connector to promote transnational and transcultural collaborations.

MiklagårdArts stands for a structure where collaboration becomes a sustainable and meaningful practice to design impactful projects and create diverse content in collaboration with existing arts and cultural institutions. They want to help build a healthy and supportive society by cultivating understanding, radical inclusion, and empathy through the arts.

MiklagårdArts is one of the founding alliances of UNTITLED, a global, cross-sectoral alliance for social imagination and experimentation.
