Ministry of Culture - People's Republic of China

Ministry of Culture is established as a department under the State Council responsible for the administration of China’s cultural and artistic affairs.

The **main responsibilities** of the ministry are:

- making guidelines for cultural and art-related policies and principles
- drafting cultural and art-related laws and regulations
- guiding the reform of cultural system
- administrating cultural and artistic industry
- directing the artistic creation and production
- supporting representative, model and experimental arts and cultural works
- administrating national important cultural activities
- planning and guidance of the construction of national key cultural facilities
- making guidelines for cultural market development plans
- guiding comprehensive law enforcement in cultural markets
- exercising supervision over cultural and art-related commercial operations
- supervising the State Administration of Cultural Heritage
