Culture

Within the Government, the **Ministry of Education and Culture** is responsible for developing **education, science, cultural, sport youth policies, and international cooperation in these fields.**

The Ministry develops conditions for education, know-how, lifelong learning, creativity and citizens' social participation and well-being. The values underlying this vast sector are **civilisation, welfare, democracy and creativity.** Other important principles in the Ministry's operations are expertise, responsibility, openness and future-orientation.
