Cultural Mobility Funding Guide

Czech Republic

Funding opportunities for
international cultural exchange
between the Czech Republic and the world

2018
edition

MINISTRY OF CULTURE
CZECH REPUBLIC

on the move

The **Mobility Funding Guide: Funding opportunities for international cultural exchange between the Czech Republic** and the world, provides an overview of funding available for cultural project to and from the Czech Republic.

This guide is an updated document from the Guide to funding opportunities for the international mobility of artists and culture professionals produced by the Foundation Interarts, On the Move and PRACTICS and first published online (2011). This edition has been updated by the Arts and Theatre Institute thanks to the support of the Ministry of Culture of the Czech Republic.

In this latest edition for the Czech Republic (2018), readers can find funding opportunities by country in most artistic and cultural disciplines. The main objective of this Cultural Mobility Funding Guide is to provide an overview of the **funding bodies and programmes that support the international mobility of artists and culture professionals**.

In the guide there are **4 public foundations or agencies, 3 regional and municipal funders and 13 private foundations or organisation listed, with a total of 38 opportunities**.

To make sure that the publication uses reliable sources, only regular opportunities accessible online are listed. This means that there are a number of resources that are not listed: funds for which information is only available offline, funds that are not based on open calls, and ad hoc or short-term funding.

The guide is an attempt to gather all the resources in one document and is by no means complete. Rather, it is a starting point for research into funding for mobility in the context of the Czech Republic.

Since 2012, the [Asia-Europe Foundation](#) (ASEF) and [On the Move](#) (OTM) have jointly presented the Mobility Funding Guides for International Cultural Exchange for the 51 countries of the Asia-Europe Meeting (ASEM). You can learn about [how to read the mobility funding guides here](#).
