The Mobility Funding Guide: Funding Opportunities for International Cultural Exchange in Asia, Guide to Kazakhstan provides an introduction to the cultural context in Kazakhstan.

The document is not conceived as a guide to funding cultural mobility for artists and cultural professionals from and to Kazakhstan, but as a listing of **websites and information platforms which may be relevant to find out more about cultural policy, cultural organisations, funding organisations and resource-based articles related to Kazakhstan**. As usual for such a concise resource document, the aim is not to duplicate information but to signpost existing resources and information.

The document is divided into general information about **Kazakhstan and its cultural policy**, culture related **organisations, events and artists, funding organisations**, examples of **Asia-Europe and Kazakhstan cooperation** in art and cultural projects and **guides** for those looking to travel to Kazakhstan.

The guide is an attempt to gather a number of resources in one document and is by no means complete. Rather, it is a starting point for research into funding for mobility in the Kazakhstan context. You can learn about [how to read the mobility funding guides here](#).

Since 2012, the [Asia-Europe Foundation](#) (ASEF) and [On the Move](#) (OTM) have jointly presented the Mobility Funding Guides for International Cultural Exchange for the 51 countries of the Asia-Europe Meeting (ASEM).
