GUIDE to
**Russian
Federation**

The Mobility Funding Guide: Funding Opportunities for International Cultural Exchange in Europe, Guide to the Russian Federation provides an

overview of funding available for cultural project to and from the Russian Federation.

This document is not conceived as a guide to funding cultural mobility for artists and cultural professionals from and to the Russian Federation but as a listing of websites and information platforms which may be relevant to find out more about **cultural organisations, venues, residencies, funding organisations in the Russian Federation**. As usual for such a concise resource document, the aim is not to duplicate information but to signpost existing resources and information.

The document is divided into **general information about the Russian Federation and its cultural policy**, culture related **organisations** and **guides** for those looking to travel to the Russian Federation.

The guide is an attempt to gather all the resources in one document and is by no means complete. Rather, it is a starting point for research into funding for mobility in the context of the Russian Federation. You can learn about [how to read the mobility funding guides here](#).

Since 2012, the [Asia-Europe Foundation](#) (ASEF) and [On the Move](#) (OTM) have jointly presented the Mobility Funding Guides for International Cultural Exchange for the 51 countries of the Asia-Europe Meeting (ASEM).
