Mugi dance

Mugi dance founded by renowned choreographer, Mugiyono Kasido in 1992. Based in Sukoharjo, Central Java, Indonesia, the works were present around the world, also creating collaboration between nation. Since 2015, Mugi dance runs International Rain Festival (IRF) in Mugi dance studio complex. In 2016, Mugi dance ran Asian Festival with support from Japan foundation and Festival for Youth. IRF presents works from all genres, all ages and all communities. Each year, the army and police are also present at IRF. Its interest to make IRF as a starting point to have collaboration in the next future.
