## Jio MAMI Mumbai Film Festival

2023 | MUMBAI  
FILM FESTIVAL

The Jio MAMI Mumbai Film Festival is organised by the Mumbai Academy of Moving Image (MAMI) with an aim to present the best of cinema and foster a larger ecosystem for cinematic voices in South Asia.

Every year, handpicked films from across genres are screened at the festival, where each film is carefully selected based on **artistic merit**,

**cultural diversity, and relevance to contemporary issues.** Using immaculate programming, the festival showcases creative expressions that re-evaluate cinematic conventions and investigate non-narrative forms, including those that are **underrepresented in mainstream cinema.** It's a place for emerging and established cinema talent to showcase their work and network with the best from around the world.

Through a variety of discussions, workshops, and expert panels, the festival encourages **critical thinking and dialogue with its audience.** In addition to bringing the best of cinema from around the world, the festival also conducts a robust year-round programme that acts as a hub for creators, facilitating the exchange of ideas, providing access to labs for skill development, and exploring business opportunities in filmmaking.
