## National Visual Arts Gallery (BSVN)

On 26 September 2011, the Minister of Information, Communications, and Culture, Dato' Sri Utama Dr. Rais Yatim, officiated the launching of the National Visual Arts Development Board Act 2011 (Act 724), which brought about the change in name of the National Art Gallery (BSLN) to the **National Visual Arts Gallery (BSVN)**. With this, it is hoped that the mission of BSVN to **gather, conserve, preserve, display and promote art work, and foster awareness, understanding and appreciation of the arts at all levels of the society** will be better achieved.

### Objectives

- To have a collection of artworks as the National Visual Art Permanent Collection that portrays the creativity and cultural arts aspirations in local and international aspects.
- To restore, preserve, document and research the National Visual Art Permanent Collection and the historical of national arts.
- To promote and improve the quality of national visual arts by organizing exhibitions, seminars, workshops, competitions and arts activities in local and international aspects.
- To create awareness, understanding, appreciation and respect towards arts.
