## Ngee Ann Polytechnic - School of films & media studies

Ngee Ann Polytechnic has many divisions and schools including the School of Film and Media Studies. It is Singapore's first Mass Communication and the only Film school in Singapore. The Film, Sound and Video (FSV) programme started in 2001. Now its full curriculum makes it one of the most sought after diploma courses. For more senior students, the Advanced Diploma in Film Production is a full time two year course that provides advanced training in both the arts and craft of narrative filmmaking where students graduate with a 35mm film shot.
