DOGA

Norwegian Centre for Design and Architecture (DOGA) promotes good use of design and architecture in Norway to create new, green and profitable solutions of the future. The centre **promotes the understanding, knowledge and use of design and architecture from a commercial and social perspective.** The organisation promotes quality and innovation using design and architecture to develop surroundings, products and services.

The Foundation for Design and Architecture in Norway and the Norwegian Design Council have merged into **The Norwegian Centre for Design and Architecture.** They are located in the centre of Oslo and host **exhibitions, conferences and other events** that promote good use of design and architecture.
