## Office of Contemporary Art and Culture, Ministry of Culture, Thailand

Office of Contemporary Art and Culture, Ministry of Culture is an agency with a mission to **promote and publicise events, creative arts and contemporary culture to gain wisdom and its application in society.**

The identification of art and contemporary culture into various areas include **visual arts, performing arts, music and singing, film, architecture, decorative arts, costume design, product design and contemporary art** in all branches of the imagination. The result is a fusion of contemporary art, which is valuable in different ways; including related values, including aesthetic and psychological benefits for life or the type or characteristic of a work of art itself.

Its mission is the dissemination and development of knowledge in creating works of art Contemporary culture in fine arts and applied arts and the bringing contemporary art and culture to add value to products and services.
