# 平台計劃 PENTAS PROJECT THEATRE PRODUCTION

Pentas Project Theatre Production, founded in Malaysia in 2005, hopes to get its nutrients from the multi-cultural society, looking into ourselves while gazing at the world. Pentas Project envisions a stage without walls or boundaries, a stage that can be more transparent and equal, a stage for interactions and understandings that can strengthen the relationships between different cultures and realms.

Objectives of Pentas Project are:

- To build a mature, contemporary and multi-faceted stage which encourages interactions and openness.
- To learn, explore, understand and open up new horizons and collaborative space in theatre arts.
- To respect and support differences through collaboration, interaction, sharing and learning, and furthermore, to appreciate the uniqueness of diversities in our society and field.
