While attending the [Performing Arts Meeting in Seoul \(PAMS\)](#) in October 2018, [On the Move](#) came across different Asian networks that have blossomed, particularly since 2015, in the performing arts sector.

In order to have a better view of the networks' landscape in Asia, On the Move has started to compile this list. Please kindly note that this list is for information only and does not claim to be exhaustive.

Special thanks for their presentations and inputs to Anna Cy Chan (Dance Adviser for West Kowloon Cultural District / Dean of Dance, Hong Kong Academy for Performing Arts) and Jisun Park (Creative Producer | Producer Group DOT, Korea).
