The Foundation is located in the Casa Natal de Pablo Ruiz Picasso (building where Picasso was born). It was declared Monumento Histórico-Artístico de Interés Nacional (Historical-Artistic Monument of National Interest) in 1983.

The main aim of the institution is to **promote, enrich and spread the artist's figure and work from his homeland**, organising several **activities** (exhibitions, conferences, publications, didactic programs) and **creating a centre of documentation** specialised in the artist. Throughout the years of its existence, the Pablo Ruiz Picasso Foundation has managed to assemble a **collection of art works containing over 4,000 items produced by more than 200 different artists**.
