Red House Center for Culture and Debate

The Red House Centre for Culture and Debate organises and presents socio-political, artistic, cultural as well as socially engaged and educational programmes.

The organisation stimulates the development of independent sector of the contemporary art in Bulgaria, provides training in less known fields and methods in the arts, culture, social activities and practices in Bulgaria, contributes pluralism in the aesthetical and organisational forms in arts and culture in Bulgaria, develops group culture and processes, through presentation of various social topics creates environment for adequate publicity, develops critical thinking and public speaking, stimulates the development of various communities and the dialogue between them, stimulates politically-social debate.

The Red House is a place for artistic experiments in the field of performing and visual arts, film, music, literature and new media. The Centre **organises performances of independent groups, exhibitions of contemporary visual artists, lectures and discussions on contemporary art and culture.** The Arts and Culture programmes of The Red House features own productions, theatre performances of independent groups, concerts and exhibitions. The Red House also presents the Bulgarian and international trends in the development of documentary and experimental art cinema as well as video films of key performances.
