Regalblue Production

Founded in May 2002, Regalblue Production, a wholly owned local company, registered and recognized by Radio Television Brunei (RTB) as a production company in 'A' category and was given the opportunity to produce numerous TV dramas and programmes for the TV station.

Since then, there was no looking back for Regalblue Production in this competitive, challenging and ever-changing industry. Apart from working closely with Radio Television Brunei (RTB), we actively involve in providing audio and visual production services to the mass market in Brunei Darussalam.
