SciCo

SciCo (Science Communication) is a non-profit organisation, focusing on **scientific engagement and empowerment**, through innovative, interactive, and entertaining means. It was founded in 2008, and consists of scientists, academics, educators, artists, and people with an interest in everyday science. Today, it operates as a social enterprise.

Through numerous high-impact outreach activities, such as **science festivals, digital platforms, and workshops**, SciCo has reached more than 400,000 people all over Greece. It has also reached audiences outside Greece by expanding some of its own projects internationally and by participating in EU Programs and Networks.
