# Screen Academy Scotland

A partnership between Edinburgh Napier University and Edinburgh College of Art, Screen Academy Scotland offers unrivalled scope for collaboration with over 600 students at under-and post-graduate level in film, television, animation, photography, journalism and acting. It also offers professional short courses from screenwriting to cinematography, sound design to film editing.

Students at the Screen Academy have access to a complete range of professional production and post-production equipment, including HDCam, Super 16 mm, Avid, Final Cut Pro, Pro-Tools and a fully equipped dubbing facility. And they can draw on support from tutors who themselves have significant experience in the industry.

Screen Academy graduates have had their films screened at festivals in cities around the world, including Venice, Beijing, Kolkata and Edinburgh. Many have gone on to win awards and commissions for TV and feature film projects following graduation.
