## Seahorse Films

Seahorse Films is a film production services company for TV Commercials, Feature Films, TV Programs, Music Videos, Documentaries and photo shoots in Cyprus. Services offered range from pre-production including scheduling, budgeting, casting and location scouting, to production, by providing equipment and crew and post production facilities. It was established in 1998 as an independent entertainment company servicing and producing films and videos for international clients.

Besides offering production services, the company also produces its own materials. It supports many projects funded through the National Funding Program of the Ministry of Education and Culture and produces or co-produces films being shot locally or abroad.
