Silverfish Books

Silverfish Books, the bookstore and indie publisher, was established in 1999 as an independent shop focused on literature, philosophy, and Malaysian writing in English -- areas which were either neglected or not addressed adequately by mainstream bookstores. Silverfish Books set out to establish a bookstore 'for people who like to read by people who read'; a book-boutique where all titles are individually selected, with many unavailable in any 'mega' store anywhere.

Silverfish Books also organises **events** such as book readings, signings, discussions at Silverfish Books and elsewhere.

Silverfish Books are committed to good reading and good writing. An **on-line bookshop** with a selection of Malaysian Literature in English can be accessed via the website.
