Stefan Kirov Films

The company main goal is the facilitation of foreign productions in order that they may benefit from the very reasonably priced locations and talents available for filming in Bulgaria.

Kirov Films activities include the organization and execution of all aspects of film production, both for dramatic features, advertisements and documentaries.

Services:

- Professional crews with international experience
- Access to all facilities which rent technical equipment, sound stages and studios for film and TV productions at the best prices
- Casting for your movie according to your script and the vision of the Director
- Location scouting – Bulgaria offers sea, mountains, picturesque villages, European cities with different architectural styles, buildings with superior exteriors and interiors, unusual rock formations, caves and ancient ruins
- Bulgaria has 4 distinct seasons suitable for shooting in all climate conditions
- The film lab in Bulgaria has been accredited as a member of the Kodak Imagecare Program.
