The TextielMuseum in Tilburg, Netherlands allows you to discover everything related to textiles, design, art, fashion, industrial heritage and innovation.

The museum is located in a former textile factory and offers inspiring exhibitions, educational programmes and the TextielLab. Specialising in textile research and education, internationally renowned artists, designers, architexts and students carry out high-profile research and work on inventive textile projects at the TextielLab, studying the infinite possibilities of textiles.

In 2017, the TextielMuseum won the BankGiro Lottery Museum Prize in the Fashion & Design category. Again in 2019, the uniqueness of the museum saw it being awarded the international Best in Heritage Award.
