Established by the Thammasat University Act in 1933, the university was inaugurated on June 27, 1934 as an open university with the objective of propagating the learning of law and politics to all. Thammasat University marked a milestone in university education in Thailand by introducing liberal arts education with the founding of the Faculty of Liberal Arts in 1962. Since then, liberal arts education has spread to all universities in Thailand, providing what is called foundation core-courses for all undergraduates. The Faculty of Journalism and Mass Communication offers visual communication subjects that translates to video work for the school.
