Vernssage, an art consulting enterprise founded by Sunaina Magan, exists to promote art collection by simplifying your art acquisition experience. Our aim is to make art an intimate yet unparalleled part of your life, and help you enjoy, your evolution from an art admirer to an art connoisseur. Vernssage cherishes and encourages the uniqueness of the art adorer and collector within you. We are sensitive towards your aesthetic motivations, interests, time, and monetary concerns.

Our collaborative approach includes, inter alia, offering personalized advice to you by making your tastes and preferences as our guideposts. Our recommendations are directed towards helping you establish a collection, as exquisite as your own self.
