Guide to funding opportunities for the international mobility of artists and culture professionals

BULGARIA

This guide is a partially updated document from the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**¹ produced by the Foundation Interarts, *On the Move* and PRACTICS and published online in September 2011.

This present **guide** specifically focused on **Bulgaria** includes:

- **Mobility funding opportunities open to Bulgarian nationals and residents in most artistic and cultural disciplines > Outgoing mobility (OM);**
- **Mobility funding opportunities open to nationals from other countries than Bulgaria in most artistic and cultural disciplines > Incoming mobility (IM)**

The guide lists national, regional and local resources, be they public or private. Only regular opportunities accessible online are listed; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are usually not included. For a full overview of the methodology and scope of the research, please refer to the introduction of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**².

Overall, the main objectives of such mobility funding guides are to make available online, in a transparent way, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in funding for international cultural exchange in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This guide, updated by On the Move thanks to the support of the Asia-Europe Foundation, is an attempt to gather all the resources in one document, and is by no means complete. You can send your comments, suggestions and corrections to: mobility@on-the-move.org

For regular and one-off calls for projects, collaborations and other opportunities to fund international cultural exchange, we invite you to subscribe **for free** to the monthly newsletter of On the Move at <http://on-the-move.org>.

Up-dated guide with the Culture Desk Foundation⁴ on 20 September 2013 and online on 9 November 2013 (as part of ACT Festival for Independent Theatre: <http://actfest.org/en/aboutus/>) - web links last checked on 12 August 2014.
The mentions of Public (Pub.), Private (Pri.) and Public/Private (PP.) have been added to highlight the sources of funding.

Additional tips and comments:

We are aware that the listing of national/local sources of funding to support the mobility of Bulgarian artists and cultural professionals is limited.

Considering this situation, you may find below additional ideas and references to fund your mobility.

Funds and organisations that specifically focus on Europe and the Eastern/central and/or the Balkan region

- Consider the Roberto Cimetta Fund, or the Allianz Cultural Foundation, to name a few⁵.
- There are also specific programmes which support mobility for a specific group of countries, including Bulgaria, for instance:
 - >> Art up! Media art in Bulgaria, Greece and Turkey:
<http://www.goethe.de/ins/tr/lp/prj/art/enindex.htm>
 - >> CECartslink (USA and 37 eligible countries including Bulgaria):
<http://www.cecartslink.org>
- On the Move (<http://on-the-move.org>) regularly highlights on its website and facebook page (<https://www.facebook.com/onthemove.OTM>) the calls of these organisations and others'.

European and EU sources of funding

- The European Cultural Foundation may be another way to fund your mobility with its *Step beyond travel grant*⁶.
- European national cultural institutes can sometimes support the mobility of Bulgarian artists and cultural professionals⁷.
- You can also check the list of EU funded projects and eventually see which ones include Bulgarian partner-organisations⁸.
- Consider joining a network in relation to your field of work. This can help you to better connect to some opportunities at a regional, European and international level⁹.
- For specific projects (also with a broader socio-economic dimension), other sources of funding can be secured through the European Social Fund, Cohesion fund, or the structural funds¹⁰.

International sources of funding

- The abovementioned guide (page 1) “**Open to any nationality**”¹¹ under the Mobility Funding Guides - Funding opportunities for international cultural exchange in Asia, commissioned by the Asia-Europe Foundation (ASEF) through its portal culture360.asef.org
- <http://on-the-move.org> regularly lists calls and opportunities open to artists worldwide. You can check the calls and opportunities with travels funded listed per category (News by topic): raise funding, react to a call, discover a residency, meet others etc.

And don't forget to regularly check the website of the Culture Desk Foundation, On the Move's member since 6 November 2013 (<http://culturedesk.com>).
