Dance Bridges festival between India, the UK and beyond

The fourth edition of Dance Bridges Festival, from 11 to 22 August 2022, is a special hybrid format with live events (including in Kolkata and London), digital offerings, engagements and film screenings.

Dance Bridges has always sought to build artistic exchanges and build bridges across frontiers through culture. This is reflected in the artistic team, led by Founder–Director, Vanessa Maria Mirza (currently based in London) Associate Director Dam Van Huynh & Pierre Palluet (Hong Kong/London) and Jeff Hsieh, who are working with partners in India and abroad.

11 August: Opening

The inauguration will take place in Kolkata and will comprise an online opening ceremony with dance artists performing live from three cities in Asia and Europe.
