Curator of Japanese Art (Zurich)

museum rietberg

[Museum Rietberg](#), Zurich, Switzerland, an ASEMUS member, has recently advertised for the post of [curator of Japanese art](#) (part-time, 60%). **Responsibilities** of the post include the following:

- Design and preparation of special exhibitions
- Curatorial care of the Japanese collection
- Development of the collection
- Contacts with collectors, museums, universities, research institutions and funders
- Development of networks and international cooperation with Japanese museums and universities
- Dissemination of specialised knowledge, through guided tours, lectures and articles
- Collection-related research, including history of the collection and, if necessary, field research for acquisition and collection.

Candidatures should fulfil the following **criteria**:

- University degree (PhD) in Japanese studies or East Asian art history
- Good knowledge of Japanese culture and related scientific achievements (publications, research visits or fieldwork)
- Experience in museum and exhibition management
- Good international connections
- Knowledge of German, English and Japanese
- Structured approach, creativity and organisational and coordinating skills
- Teamwork, communication skills and willingness to cooperate
- Very good general IT skills

Applications should be sent by the end of August. For additional information, please visit
