Culture.si is designed to help professionals explore possibilities for collaboration with Slovenian cultural organisations. This new cultural portal presents information on cultural producers, venues, festivals and support services in Slovenia. Take a look and make a connection!

Culture.si offers information on the arts and heritage in Slovenia. You can also check out Slovenian cultural presentations abroad.

Articles focus on cultural producers, venues and festivals, funding and education opportunities and support services. The beta version of the portal was launched in 2010 by the [Ministry of Culture](#) in order to facilitate international cultural exchange and the full content will be up and running by autumn

2010.
